

Be Exalted

Written by Shai Linne and Aaron D. Johnson

Verse 1

Sovereign Lord, we come to You
Holy, Righteous, Faithful, True
To Your name all praise is due
Be exalted

Maker of heaven and earth
Heights and depths no man can search
Treasure of infinite worth
Be exalted
As Your people proclaim

Chorus

Lord, You are the Holy One
The light of Your presence leaves sinners undone
But clothed in the righteousness of Your Son
In love, You bid us to come
Be exalted

Verse 2

You beheld us lost in sin
Cursed in Adam, our first kin
Mercifully, You entered in
Be exalted

To display Your ways are just
You sent Christ to die for us
In His finished work we trust
Be exalted
As Your people proclaim

Chorus

Verse 3

Mindful of Your holy wrath
Jesus walked a righteous path
Kept the law on our behalf
Be exalted

Jesus- Prophet, Priest and King
Conquered death, removed its sting
Now in Christ, we love to sing
Be exalted
As Your people proclaim

Chorus

Verse 4

Justified by faith alone
Guiltless now before Your throne
Saved to make Your glory known
Be exalted

Spirit, help us to obey
As we now await the Day
When our King returns, we'll say
Be exalted
As Your people proclaim

Chorus
